Dear Child Care Provider,

This letter is in regards to the September 24, 2014 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home.

The following areas were out of compliance at the time of my visit:

☐ 110.5(1)a Numbers for each child's parent, physician, and a responsible person are accessible by the phone. *Provider had file with numbers and information but it was in a cupboard. Best practice would be to move the file to a more accessible place.*

☐ **110.5(2)c An individual file is maintained for each staff assistant and contains:** *Sara Williams is in the process of being requested to be added to registration as assistant/substitute. She is missing the following information from her file. Maurice Martin and Brenda Bates are also listed as substitutes and assistants. They have everything in their files.*

☐ 110.5(2)c A physician's signed statement of health and immunization status at the time of employment and at least every two years thereafter.

☐ 110.5(2)c Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

☐ **110.5(2)d An individual file is maintained for each substitute and contains:** *Sara Williams, Maurice Martin and Brenda Bates are all listed as substitutes. Sara is missing the following items. Ms. Bates and Mr. Martin has all necessary paperwork in their files.*

☐ 110.5(2)d A physician's signed statement of health of at the time of employment and at least every two years thereafter.

☐ 110.5(2)d Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

☐ 110.5(2)d Certification in infant and child first aid that includes mouth-to-mouth resuscitation. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

☐ **110.5(8) Children's Files**

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. *The provider has 10 children registered and 4 children present during compliance check. Each child has a file and all necessary paperwork however each file needs to be updated annually. The provider agreed to have the files updated in the next 30-45 days.*

☐ **110.5(10) Substitutes**

☐ 110.5(10)e The provider maintains a written record of the number of hours substitute care is provided, including the date and the name of the substitute. *The provider noted she has used Maurice once for subbing and this was written down however there was no end time as to when he finished subbing. Please make sure the records are kept up to date and complete.*

☐ **110.9(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "B"**

The provider was not over numbers at the time of the visit. This is included as a reminder to provider regarding how many children she can care for.

110.9(1)a Not more than six preschool children present at any one time including infants.

110.9(1)b Of these six children, not more than four children who are 24 months of age or younger are present at any one time.

110.9(1)b Of the four children under 24 months of age, no more than three may be 18 months of age or younger.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**
